Descriere Apanemia Apartments by Flegra Collection

Apanemia Apartments by Flegra Collection, built in 2017, is the newest member by Flegra Collection that can facilitate larger families as per your request. Consisting of mainly one-bedroom apartments, they can accommodate up to five persons per room. Divided - with a connecting door - into one master-bedroom with a double bed and one living room with two single beds and one chair-bed, they are extremely comfortable for those who seek proximity and privacy at the same moment. Moreover, the kitchenette facilities within the living-room render the accommodation ideal for families with small children or companies who wish to enjoy their self-prepared meals by the balcony or terrace, right after the daily swim. The prime location of Apanemia Apartments within the village of Pefkohori, right next to the old square and the parking space right next to the property will make your stay in the cosmopolitan Pefkohori village as convenient as possible. ****SPECIAL OFFER:** For bookings between 22/3 - 30/4/22 and stays between 15/4 - 16/6/22 the 4th person the room is free of charge. For stays between 17/6 - 14/7/22 the 3rd and 4th person in the room is free of charge. Please contact reservations in order to get and confirm the offer prior to booking.**
